

## DESOI M-Power 30Z

No. 10756

### Description

The manual reciprocating pump DESOI M-Power 30Z has been designed for short-time use. By the hand lever the material can be dosed easily and the pressure can be controlled precisely. Due to its light weight and the compact dimensions the pump can be used in areas hard to reach.

### Material to be used

- Wood preservative
- Injection mortar
- Cement paste
- Cement suspension
- Aqueous solution

### Delivery range

2 litre material container, manometer 0 – 25 bar, 3 m material hose Ø 8 mm, LP ball valve R ¼" with mouth piece, incl. instruction manual

### Advantages

- Small and light weight
- Material easy to dose
- Easy operation and cleaning

1. Manometer

2. Material hose with LP ball valve and mouth piece

### Technical data

Working pressure - acc. to compressive force	0 – 25 bar
Delivery rate	30 ml/stroke
Grain size	0.3 mm
Weight	7 kg
L x W x H	45 x 18 x 35 cm
